BALL POINT PENS | GEL INK PENS | FIBRE TIP PENS

Connecting Thoughts

IMCO OFFICE PRODUCTS INTERNATIONAL PVT LTD, Chennai, INDIA is engaged in manufacture of writing instruments consisting of Ball Point Pens, Gel Ink Pens & Fine liner Pens.

The Company has its manufacturing base at Chennai fully equipped with high end injection Moulding Machines, Automatic Refill Assembly Machines from Germany, Extrusion line and Multi Cavity Moulds imported from japan and Korea.

The Company has the capacity to manufacture over 300 Million pieces per annum.

The Company started its operation in 1998 and is currently exporting its products to countries in Asia, Europe and Middle East. It can undertake contract manufacturing for large requirements of reputed companies.

The company has put in place the international standards including JIS and DIN standards to meet specific market requirements and the products carry shelf life assurance of two years from the date of manufacture.

The company is managed by professionals having experience of about 30 years in the field of writing instruments.

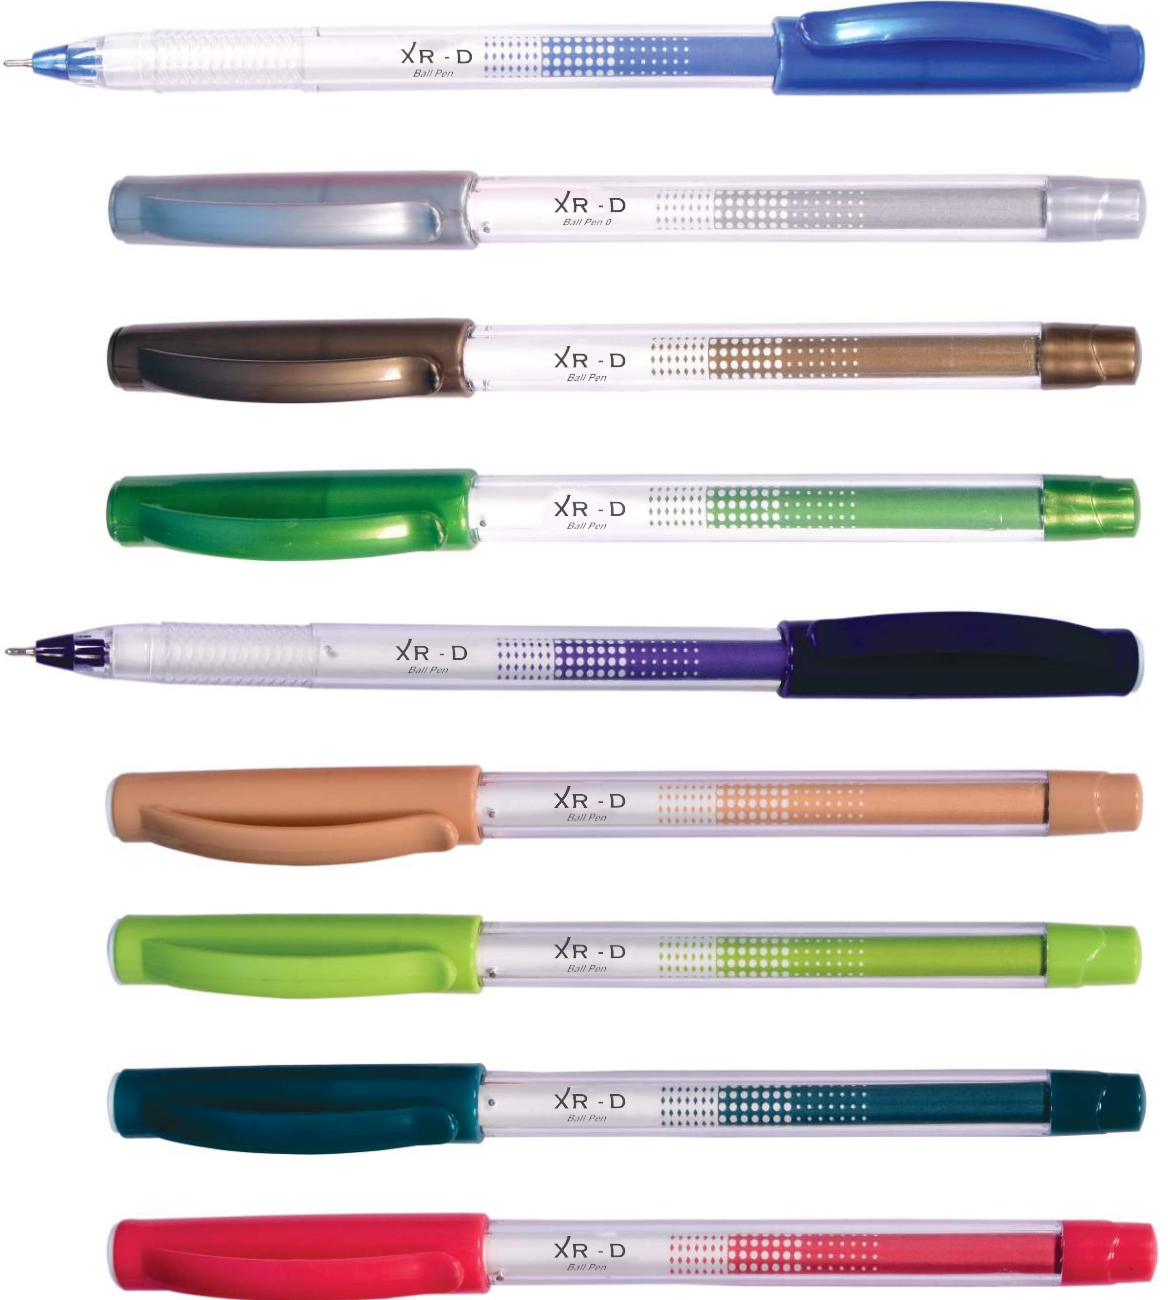

The IMCO proposition to customer is to provide high Quality value for money products at affordable prices with constant updating of technology meeting the changing requirements of the market.
